The filing fee must be shown as a separate item on all registration renewal notices sent out by the commissioner. No filing fee or other fee may be charged for the permanent surrender of a title for a vehicle.

subdivision 2, no later than one year after the adoption of the resolution ordering such improvement, unless a different time limit is specifically stated in the resolution ordering the improvement. The council shall cause plans and specifications of the improvement to be made, or if previously made, to be modified, if necessary, and to be approved and filed with the clerk, and if the estimated cost exceeds ~~\$50,000~~ the amount in section 471.345, subdivision 3, shall advertise for bids for the improvement in the newspaper and such other papers and for such length of time as it may deem advisable. If the estimated cost exceeds ~~\$100,000~~ twice the amount in section 471.345, subdivision 3, publication shall be made no less than three weeks before the last day for submission of bids once in the newspaper and at least once in either a newspaper published in a city of the first class or a trade paper. To be eligible as such a trade paper, a publication shall have all the qualifications of a legal newspaper except that instead of the requirement that it shall contain general and local news, such trade paper shall contain building and construction news of interest to contractors in this state, among whom it shall have a general circulation. The advertisement shall specify the work to be done, shall state the time when the bids will be publicly opened for consideration by the council, which shall be not less than ten days after the first publication of the advertisement when the estimated cost is less than ~~\$100,000~~ twice the amount in section 471.345, subdivision 3, and not less than three weeks after such publication in other cases, and shall state that no bids will be considered unless sealed and filed with the clerk and accompanied by a cash deposit, cashier's check, bid bond, or certified check payable to the clerk, for such percentage of the amount of the bid as the council may specify. Nothing herein shall prevent the council from advertising separately for various portions of the work involved in an improvement, or from itself, supplying by such means as may be otherwise authorized by law, all or any part of the materials, supplies, or equipment to be used in the improvement or from combining two or more improvements in a single set of plans and specifications or a single contract.

If any bidder to whom a contract is awarded fails to enter promptly into a written contract and to furnish the required bond, the defaulting bidder shall forfeit to

11.1 the municipality the amount of the defaulter's cash deposit, cashier's check, bid bond, or
11.2 certified check, and the council may thereupon award the contract to the next lowest
11.3 responsible bidder. When it appears to the council that the cost of the entire work projected
11.4 will be less than ~~\$50,000~~ the amount in section 471.345, subdivision 3, or whenever no
11.5 bid is submitted after proper advertisement or the only bids submitted are higher than
11.6 the engineer's estimate, the council may advertise for new bids or, without advertising
11.7 for bids, directly purchase the materials for the work and do it by the employment of day
11.8 labor or in any other manner the council considers proper. The council may have the
11.9 work supervised by the city engineer or other qualified person but shall have the work
11.10 supervised by a registered engineer if done by day labor and it appears to the council that
11.11 the entire cost of all work and materials for the improvement will be more than ~~\$25,000~~
11.12 the lowest amount in section 471.345, subdivision 4. In case of improper construction
11.13 or unreasonable delay in the prosecution of the work by the contractor, the council may
11.14 order and cause the suspension of the work at any time and relet the contract, or order
11.15 a reconstruction of any portion of the work improperly done, and where the cost of
11.16 completion or reconstruction necessary will be less than ~~\$50,000~~ the amount in section
11.17 471.345, subdivision 3, the council may do it by the employment of day labor.

11.22 out the purposes of sections 469.001 to 469.047, that involve expenditure of ~~\$50,000~~ the
11.23 amount in section 471.345, subdivision 3, or more shall be awarded by contract. Before
11.24 receiving bids the authority shall publish, once a week for two consecutive weeks in an
11.25 official newspaper of general circulation in the community a notice that bids will be
11.26 received for that construction work, or that purchase of equipment, supplies, or materials.
11.27 The notice shall state the nature of the work and the terms and conditions upon which the
11.28 contract is to be let, naming a time and place where bids will be received, opened and read
11.29 publicly, which time shall be not less than seven days after the date of the last publication.
11.30 After the bids have been received, opened and read publicly and recorded, the authority
11.31 shall award the contract to the lowest responsible bidder, provided that the authority
11.32 reserves the right to reject any or all bids. Each contract shall be executed in writing, and
11.33 the person to whom the contract is awarded shall give sufficient bond to the authority for its
11.34 faithful performance. If no satisfactory bid is received, the authority may readvertise. The

authority may establish reasonable qualifications to determine the fitness and responsibility of bidders and to require bidders to meet the qualifications before bids are accepted.

Subd. 1a. **Best value alternative.** As an alternative to the procurement method described in subdivision 1, the authority may issue a request for proposals and award the contract to the vendor or contractor offering the best value under a request for proposals as described in section 16C.28, subdivision 1, paragraph (a), clause (2), and paragraph (c).

Subd. 2. **Exception; emergency.** If the authority by a vote of four-fifths of its members shall declare that an emergency exists requiring the immediate purchase of any equipment or material or supplies at a cost in excess of ~~\$50,000~~ the amount in section 471.345, subdivision 3, but not exceeding ~~\$75,000~~ one-half again as much as the amount in section 471.345, subdivision 3, or making of emergency repairs, it shall not be necessary to advertise for bids, but the material, equipment, or supplies may be purchased in the open market at the lowest price obtainable, or the emergency repairs may be contracted for or performed without securing formal competitive bids. An emergency, for purposes of this subdivision, shall be understood to be unforeseen circumstances or conditions which result in the placing in jeopardy of human life or property.

Subd. 3. **Performance and payment bonds.** Performance and payment bonds shall be required from contractors for any works of construction as provided in and subject to all the provisions of sections 574.26 to 574.31 except for contracts entered into by an authority for an expenditure of less than ~~\$50,000~~ the minimum threshold amount in section 471.345, subdivision 3.

Subd. 4. **Exceptions.** (a) An authority need not require competitive bidding in the following circumstances:

(1) in the case of a contract for the acquisition of a low-rent housing project:

(i) for which financial assistance is provided by the federal government;

(ii) which does not require any direct loan or grant of money from the municipality as a condition of the federal financial assistance; and

(iii) for which the contract provides for the construction of the project upon land that is either owned by the authority for redevelopment purposes or not owned by the authority at the time of the contract but the contract provides for the conveyance or lease to the authority of the project or improvements upon completion of construction;

(2) with respect to a structured parking facility:

(i) constructed in conjunction with, and directly above or below, a development; and

(ii) financed with the proceeds of tax increment or parking ramp general obligation or revenue bonds;

(3) until August 1, 2009, with respect to a facility built for the purpose of facilitating the operation of public transit or encouraging its use:

(i) constructed in conjunction with, and directly above or below, a development; and

(ii) financed with the proceeds of parking ramp general obligation or revenue bonds or with at least 60 percent of the construction cost being financed with funding provided by the federal government; and

(4) in the case of any building in which at least 75 percent of the usable square footage constitutes a housing development project if:

(i) the project is financed with the proceeds of bonds issued under section 469.034 or from nongovernmental sources;

(ii) the project is either located on land that is owned or is being acquired by the authority only for development purposes, or is not owned by the authority at the time the contract is entered into but the contract provides for conveyance or lease to the authority of the project or improvements upon completion of construction; and
